

THAYER SCHOOL OF ENGINEERING at Dartmouth RECRUITING STUDENTS

What Dartmouth engineers bring to you

- Real-world problem-solving experience
- Well-developed communication skills
- Leadership and teamwork experience
- Experience working across engineering disciplines
- Broad knowledge gained from the liberal arts
- Technical depth

How we prepare Dartmouth engineers to excel in a changing world

- Single, unified department of engineering sciences exposes students to all areas of engineering and cross-disciplinary problem-solving
- Project-based curriculum
- Entrepreneurial training at all degree levels
- Engineering majors study the full range of liberal arts (for a B.A.); most additionally earn an ABET-accredited Bachelor of Engineering degree (equivalent to a B.S.)
- Master of Engineering Management (M.E.M.) program, co-taught with Tuck School of Business, produces managers who understand both the engineering and business aspects of technology
- M.S and Ph.D. programs produce leaders with broad knowledge and deep technical skills who are ready to innovate in industry, from start-ups to large corporations

Connect with students

Thayer Career Services will work with you to customize a program to meet your needs. Here are some ways to start.

- **ThayerLink**

Post jobs and internships, schedule interviews, access resume books

- **engIN**

Recruit engineering interns from Dartmouth, Brown, Bucknell, Lafayette, Smith, Swarthmore, Tufts, Union, and Olin

- **Virtual Career Fair**

February 2017

Use Skype to meet top engineering talent without leaving your office; even if you do not have current openings, this is a great way to network with students

- **Engineering Career Fair**

September 29, 2016

Meet more than 300 engineering students on site at Thayer School

- **Sponsor a Student Project**

Let our students tackle your engineering challenge with a fresh approach

- **Information Sessions/Workshop Panels**

Participate in industry panels, mock interviews, or conduct a special interest workshop to prepare students for job searches

- **Hiring for an experienced level position?**

We'll post your job description on our Alumni Listserv

Dartmouth's quarter
system makes students
available year-round
for internships.

Quick facts

- Thayer School received the National Academy of Engineering's 2014 Bernard M. Gordon Prize for Innovation in Engineering and Technology Education
- Undergraduate gender ratio: 45% women (national average for engineering schools: 19%)
- Dartmouth enrollments: 4,400 undergraduate; 1,900 graduate
- Engineering enrollments: 271 undergraduate (B.E., jr. and sr. majors and minors); 193 graduate
- Engineering disciplines: biomedical, chemical and biochemical, computer, electrical, engineering physics, environmental, materials science, mechanical
