

# THAYER SCHOOL OF ENGINEERING at Dartmouth RECRUITING STUDENTS

## What Dartmouth engineers bring to you

- Real-world problem-solving experience
- Well-developed communication skills
- Leadership and teamwork experience
- Experience working across engineering disciplines
- Broad knowledge gained from the liberal arts
- Technical depth

## How we prepare Dartmouth engineers to excel in a changing world

- Single, unified department of engineering sciences exposes students to all areas of engineering and cross-disciplinary problem-solving
- Project-based curriculum
- Entrepreneurial training at all degree levels
- Engineering majors study the full range of liberal arts (for a BA); most additionally earn an ABET-accredited Bachelor of Engineering degree (BE, equivalent to a BS)
- Master of Engineering Management (MEM) program, co-taught with Tuck School of Business, produces managers who understand both the engineering and business aspects of technology
- MS and PhD programs produce leaders with broad knowledge and deep technical skills who are ready to innovate in industry, from start-ups to large corporations

# Connect with students

Dartmouth's quarter  
system makes students  
available year-round  
for internships.

Thayer Career Services will work with you to customize a program to meet your needs. Here are some ways to start.

- **ThayerLink**  
Post jobs and internships, schedule interviews, access resume books  
[thayer-dartmouth-csm.symplicity.com/employers](http://thayer-dartmouth-csm.symplicity.com/employers)
- **engIN**  
Recruit engineering interns from Dartmouth, Lafayette, Smith, Swarthmore, Tufts, Union, and Olin  
[engin-csm.symplicity.com/employers](http://engin-csm.symplicity.com/employers)
- **Virtual Career Fair**  
February 2019  
Use Google Hangouts to interview top engineering talent without leaving your office  
[engineering.dartmouth.edu/careers/students/virtual-interview-day](http://engineering.dartmouth.edu/careers/students/virtual-interview-day)
- **Engineering Career Fair**  
September 26, 2018  
Meet more than 350 STEM-focused students on site at Thayer School  
[engineering.dartmouth.edu/careers/events/fair/](http://engineering.dartmouth.edu/careers/events/fair/)
- **Sponsor a Student Project**  
Let our students tackle your engineering challenge with a fresh approach  
[engineering.dartmouth.edu/industry/cook](http://engineering.dartmouth.edu/industry/cook)
- **Information Sessions/Workshop Panels**  
Participate in industry panels, mock interviews, or conduct a special interest workshop to prepare students for job searches
- **Hiring for an experienced level position?**  
We'll post your job description on our Alumni Listserv

## Quick facts

- Thayer School received the National Academy of Engineering's 2014 Bernard M. Gordon Prize for Innovation in Engineering and Technology Education
- Undergraduate gender ratio: 41% female (national average for engineering schools: 19%)
- Dartmouth enrollments: 4,400 undergraduate; 2,000 graduate
- Engineering enrollments: 322 undergraduate (majors, minors, dual-degree, BE); 222 graduate
- Engineering disciplines: biomedical, chemical and biochemical, computer, electrical, engineering physics, environmental, materials science, mechanical
