

Where do our Graduates go? See their list of choice from 2011-2015.

Institution	Research Area
Brown University	
California Institute of Technology	Applied Physics
Cornell University (2)	Environmental & Computer Engineering
Duke University (4)	Biomedical; Computer; Managament Engineering; Biomaterials and Regeneartive Medicine
Geisel School of Medicine (5)	Medicine
Georgia Institute of Technology	Optimization of Aerospace Systems
Harvard University (SEAS)	Applied Physics
Massachusettes Institute of Technology (4)	Technology and Policy Program; Mechanical; Engineering Systems
Purdue University	Fluids Combustion
Stanford University (5)	Electrical; Management & Science
Tisch School of the Arts at New York University	Interactive Telecommunications
University of California - Berkeley (2)	Mechanical Engineering
University of California - Los Angeles	Control and Systems
University of California - Santa Barbara	Materials Engineering
University of Chicago	Cosmology
University of Colorado - Boulder (3)	Geology - Fluid Geomorphology; Energy & Environment; Mechanical
University of Florida	Material Science
University of Michigan	Computer Science & Engineering
University of Pennsylvania (2)	Materials Science; Robotics
University of Pennsylvania	Robotics
University of Southern California	Nanophotovics; Biophysics
University of Texas - Austin	Thermal/Fluids Systems (Mechanical)
University of Vienna
